# New Grad Business Consultant-Calgary, AB (January 2024 start date)

[I'm Interested](#)

**Category:** Business Consulting, Strategy and Digital Transformation

**Main location:** Canada, Alberta, Calgary

**Position ID:** J1023-1656

**Employment Type:** Graduate

## Position Description:

Are you a soon-to-be graduate with a passion for tech? As Canada's largest IT consulting firm, CGI is looking for innovative and tech savvy individuals to join us in a New Grad Business Consultant.

At CGI, we're a team of builders. We call our employees members because all who join CGI are building their own company - one that has grown to 77,000 professionals located in 40 countries. Founded in 1976, CGI is a leading IT and business process services firm committed to helping clients succeed. We have the global resources, expertise, stability and dedicated professionals needed to achieve results for our clients - and for our members. Our benefits include a share purchase program, profit sharing, wellness credits, training and development programs and flexible work schedules! CGI is currently seeking a New Grad Business Consultant who is excited to start their career in IT field.

## Your future duties and responsibilities:

The role in question is an exciting opportunity to join a dynamic team of creative forward thinkers. As a member of this problem-solving unit, you will play a pivotal role in aiding our clients in solving real-world challenges through innovative digitization and process improvements. Your responsibilities will not only involve behind-the-scenes problem-solving but also client-facing interactions as you present solutions to our clients, demonstrating your ability to effectively communicate complex ideas. Additionally, you will collaborate closely with both consultants and Agile teams, fostering a rich environment of collaboration and adaptability, ensuring that your contributions make a meaningful impact.

### What to Expect

- A one-year New Grad program
- Fast track your professional development to help you become a top consultant
- Access to Professional development workshops and e-learning
- Opportunities to work in cross-functional teams.
- Exposure to senior leaders through networking events and workshops
- Social events with your peers
- Regular coaching and mentorship from leaders and peers to help you

## Required qualifications to be successful in this role:

- The ideal candidate must have excellent adaptability, interpersonal, communication, problem-solving, and negotiating skills.
- Having design thinking skills is an asset

### **Skills:**

- Business and IT Consulting

### **What you can expect from us:**

#### **Insights you can act on**

While technology is at the heart of our clients' digital transformation, we understand that people are at the heart of business success.

When you join CGI, you become a trusted advisor, collaborating with colleagues and clients to bring forward actionable insights that deliver meaningful and sustainable outcomes. We call our employees "members" because they are CGI shareholders and owners and owners who enjoy working and growing together to build a company we are proud of. This has been our Dream since 1976, and it has brought us to where we are today — one of the world's largest independent providers of IT and business consulting services.

At CGI, we recognize the richness that diversity brings. We strive to create a work culture where all belong and collaborate with clients in building more inclusive communities. As an equal-opportunity employer, we want to empower all our members to succeed and grow. If you require an accommodation at any point during the recruitment process, please let us know. We will be happy to assist.

Ready to become part of our success story? Join CGI — where your ideas and actions make a difference.
